

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)
EAST CLARK COUNTY WATER DISTRICT) CASE NO. 2000-249

O R D E R

On May 22, 2000, East Clark County Water District ("East Clark") applied for approval to adjust its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. East Clark purchases its water from Winchester Municipal Utilities ("Winchester").
2. Winchester is increasing the wholesale water rate charged to East Clark from \$0.96 per 100 cubic feet to \$1.10 per 100 cubic feet purchased, effective June 20, 2000.
3. During the 12 months ending April 30, 2000, East Clark purchased a total of 126,698,484 gallons of water and sold 114,429,400 gallons.
4. The increase in the cost of purchased water will be \$24,072.70, resulting in a purchased water adjustment of \$0.21 per 1,000 gallons of water. Based on a monthly usage of 5,000 gallons, the average bill of an East Clark customer would increase \$1.05 from \$50.65 to \$51.70, or 2.1 percent.

5. The calculations and tariff provided by East Clark are correct and should be approved.

6. The purchased water adjustment of \$0.21 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of \$0.21 per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after June 20, 2000.

2. The tariff submitted by East Clark is hereby approved as filed.

3. Within 20 days from the date of this Order, East Clark shall file a copy of the notice to its customers and verification that such notice has been given.

Done at Frankfort, Kentucky, this 12th day of June, 2000.

By the Commission

ATTEST:

Executive Director
